

Call for Nominations for Editor-in-Chief IEEE Electron Device Letters

The [IEEE Electron Device Letters \(EDL\)](#) has been a flagship publication of the IEEE Electron Devices Society (EDS) for almost 70 years. The EDL publishes original and significant contributions relating to the theory, modeling, design, performance and reliability of electron and ion integrated circuit devices and interconnects, involving insulators, metals, organic materials, micro-plasmas, semiconductors, quantum-effect structures, vacuum devices, and emerging materials with applications in bioelectronics, biomedical electronics, computation, communications, displays, microelectromechanics, imaging, micro-actuators, nanoelectronics, optoelectronics, photovoltaics, power ICs and micro-sensors. Items are restricted to four pages and appear on IEEE Xplore, on average, within four weeks after the submission date.

We invite nominations for the position of Editor-in-Chief (EiC) for EDL for a 3-year term beginning in January 2023. The EiC's duties include appointing Editors to serve across the scope of the journal; supervising the operations of the journal through ScholarOne Manuscripts with the assistance of the IEEE publications staff; monitoring the quality and timeliness of publications; and lead developments to strengthen the journal.

Criteria for the Nominees:

- Able and motivated to spend sufficient time on the job
- Demonstrate competence with a publications track-record in at least one of the disciplines included in the EDS field of interest
- Formal support from the institution for which the nominee works (waived if self-employed)
- Has served or currently serving on one of the editorial boards of T-ED, EDL (the IEEE Electron Device Letters), or J-EDS
- Able to work at all levels: editorial boards, IEEE/EDS staff, volunteers, authors, reviewers and officers and shows good judgement
- Be a member of EDS
- Other desirable qualifications include leadership experience, integrity and ethical standards, organizational and management skills, and a vision for moving the journal to a new level of excellence

Requirement for Nominations:

- A brief IEEE-style biography (up to 250 words) of the nominee
- A complete CV and list-of-publications of the nominee
- A brief statement from the nominator on nominee's qualification and how the nominee meets the criteria listed above
- A letter from nominee's employer indicating support for the EiC activity
- Endorsement from two EDS members on the nomination
- Optionally, a statement (up to 500 words) from the nominee on his/her vision for the journal
