

Call for Nominations for Editor-in-Chief IEEE Transactions on Electron Devices

For more than 60 years, the IEEE Transactions on Electron Devices (T-ED) has been a flagship publication of the IEEE Electron Devices Society (EDS). T-ED publishes original and significant contributions relating to the theory, modeling, design, performance and reliability of electron and ion integrated circuit devices and interconnects, involving insulators, metals, organic materials, micro-plasmas, semiconductors, quantum-effect structures, vacuum devices, and emerging materials with applications in bioelectronics, biomedical electronics, computation, communications, displays, microelectromechanics, imaging, micro-actuators, nanoelectronics, optoelectronics, photovoltaics, power ICs and micro-sensors. TED publishes regular full-length papers, review papers, invited papers, and special issues. The average publishing cycle time is 13 weeks.

We invite nominations for the position of Editor-in-Chief (EiC) for either EDL or T-ED for a 3-year term beginning in the fourth quarter of 2018. The EiC's duties include appointing Editors to serve across the scope of either journal; supervising the operations of the journal through ScholarOne Manuscripts with the assistance of the IEEE publications staff; monitoring the quality and timeliness of publications; and leading development to strengthen the journal.

Criteria for the Nominees:

- Ability and motivation to spend sufficient time on the job;
- Demonstrated competence in at least one of the disciplines included in the EDS field of interest;
- Formal support from the institution for which the nominee works (waived if self-employed);
- Has served or currently is serving on one of the editorial boards of T-ED, EDL (the IEEE Electron Device Letters), or J-EDS (the IEEE Journal of the Electron Devices Society);
- Suitable temperament (ability to work at all levels: editorial boards, IEEE/EDS staff, volunteers, authors, reviewers, officers, etc.) and judgment;
- Be a member of EDS;
- Other desirable qualifications include leadership experience, integrity and ethical standards, organizational and management skills, and a vision for moving the journal to a new level of excellence.

Requirement for Nominations:

- A brief IEEE-style biography (up to 250 words) of the nominee;
- A complete CV and list-of-publications of the nominee;
- A brief statement from the nominator on nominee's qualification and how the nominee meets the criteria listed above;
- A letter from nominee's employer indicating support for the EiC activity;
- Endorsement from two EDS members on the nomination;
- Optionally, a statement (up to 500 words) from the nominee on his/her vision for the journal.

Please e-mail the nomination materials to: James Skowrenski (J.Skowrenski@ieee.org) by **July 31, 2018**.

Hisayo S. Momose
Interim VP of Publications and Products
IEEE Electron Devices Society
